

# SIERRA GRATES®

**REGISTERS & GRILLES**

*Elevating Comfort & Inspiring Design..*

# Enabling Your Retail Strategy

## Tear Way Shipping Cases

- Each unit is shrink-wrapped with a protective rear layer, safeguarding the product and its packaging from potential damage.
- Units with SKU#, Design, Color, UPC, and installation info labeled are packed in specially designed shipping boxes that easily tear away into PDQ cases
- Color-coded PDQ boxes enhance shelf visuals for customer engagement. Labeled with case-level UPC, Design, and Color description for case pack sales, too.

## Light Weight Large Case Packs

- Cost-effective large product case packing for online retail for optimized inventory management, more significant savings, and operational efficiency.
- Labeled with SKU#, Design, Color, UPC, and installation instructions, units are packed in customized corrugated cases for optimized inventory and storage cost.
- Large cases are labeled with UPC bar code, color design, and product specifications for easy pick and pack operations

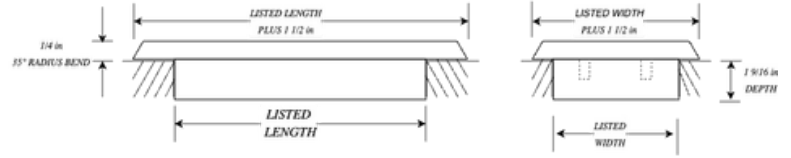

# DÉCOR

Sierra Grates Décor Series combines modern and ornamental designs to transform a home's décor.

Expertly designed in premium finishes that redefine the concept of decorative registers.

- 1.5 mm thick Stamped Steel
- Adjustable multi-directional airflow damper
- Smooth edges and round corners
- Toe-operated soft rubber lever

DÉCOR COLLECTION

# Partnering for Success Together

## Support

- Direct communication channels with the factory enable quicker response, customization, and addressing of specific needs
- Support customized solutions tailored to the market and customer requirements.

## Quality & Cost

- Better control over product quality and production process provides faster turnaround time on improvements.
- Optimized manufacturing process and supply chain network enable you to have products at competitive prices.

## Flexibility

- Low opening order MOQs optimize inventory and GTM costs to scale and ramp up products and channels.
- Multiple case pack options help you optimize inventory and merchandising on online and offline sales channels.

## 2 WAY LOUVERED

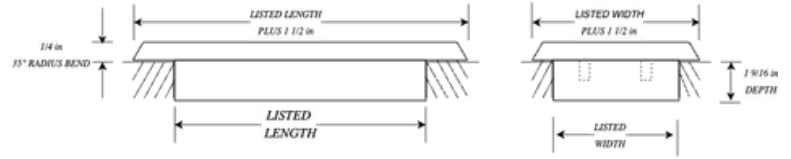

Sierra Grates Louvered Series combines modern and ornamental designs to transform a home's décor.

Expertly designed in premium finishes that redefine the concept of decorative registers.

- 1 mm thick Stamped Steel
- Adjustable multi-directional airflow damper
- Smooth edges and round corners
- Toe-operated soft rubber lever
